PERFORMANCE

The Arrange Series is the ideal solution for your waiting area. With a sturdy frame and multiple wood finishes, this is a durable and versatile product. You can also pair these chairs with our wood tables.

TANDEM ARM

With the Tandem Arm, chairs and tables can be linked together in an expansive number of arrangements.

STYLISHNESS

OCI Seating is proud to introduce the Arrange series. The word says it all. We have put together a line suitable for all lobby applications. It has beautiful Wood arms coupled with the sleek appeal of the Poly Arm, which is a popular choice in lobby applications.

Seating shown are models 620, 622, and 624.
