PERFORMANCE

OCI Seating is proud to introduce Response. This line features our Poly Arm Cap which gives you optimum durability. You can also choose from any of our 300 fabric options. We can also use your COM or Graded in fabrics from Momentum, CF Stinson or Mayer, just to name a few.

TANDEM ARM

With the Tandem Arm, chairs and tables can be linked together in an expansive number of arrangements.

STYLISHNESS

OCI Seating is proud to introduce the Response series. There are endless options from fabric to configuration. This series features beautiful Wood arms coupled with the sleek appeal of the Poly Arm, which is a popular choice in lobby applications.

Seating shown are models 480, 482, 483, and 484.
