

ELÉ metal/wood
chair *datasheet*

Extent of Range:

ELÉ 4 leg and metal sled Guest, Lounge and Stool seating.

Shipping:

The ELÉ is delivered pre-assembled by the OCI Team of assemblers, bagged and wrapped for protection. Ships carton or blanket wrapped.

Product Warranty:

Limited Lifetime

Construction:

Frame/Base:

- 4 Leg Wood Frame: Solid Beech and stained in 16 standard OCI finishes on Beech.
- 4 Leg wood stool frame provides metal footrests and trim pieces finished in chrome, giving added support to the frame.
- Sled Frame: 12mm steel rod with clear glides and finished in trichrome provides added protection extending the product life cycle.
- 4 prong low profile polished aluminum base. Chrome cylinder with 360 swivel on auto return.
- Glides: Polyethylene glides are standard and works on most floor types.
- 30" and 24" stool seat height available on wood and wire metal frame.

Seat/Back:

- Seat/Back: 1/2" molded plywood, cross banded for strength.
- 1" of High Resistance Polyurethane foam covers front of seat and back.

Construction (continued):

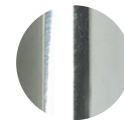

Upholstery:

- Stitch Detail: Standard V and optional 2.25" Channel back.
- Due to stitch detail and design of the back and seat, stripes and large patterns are not recommended, as they will appear distorted.
- Due to the inherent characteristics of fabric, comfort wrinkles may be present or appear over time.

Base Finishes

Standard

Optional

C - Chrome

S - Silver

B - Black

- For custom finish options, pre-approval is required.
- Veneer available in all standard OCI finishes on Beech. Please refer to our website for current veneer colors.
