## METAL

Seating shown are models 390 and 395 in Book Club Sun. Tables shown are Models T380-IT and T380-CT in Black Laminate.

## PERFORMANCE

The metal frame variant offers an excellent solution for medical offices and clinics, but also to those who desire a more minimal appearance. The urethane arm cap option provides easy cleaning along with the elegance expected in the Santee series.

## TANDEM ARM

With the Tandem Arm, chairs and tables can be linked together in an expansive number of arrangements.

## STYLISHNESS

With extensive customization opportunities, you can make your own set tailorable to your space's specific needs. Table options and Arm finishes make sure this model provides in both visual and functional capacities.

Seating shown are models 390 and 395 in Ultra Fabrics Brisa White. Tables shown are models T380-IT, T380-CT and T380-ET in Millenium Oak.
