Contact sales representative for more information.

Construction:

Table Top

- Veneer tops made of .75" plywood consisting of MDF crossbands and veneer core interior plywood for added strength and lighter weight. Table edges are natural stained exposed plywood sealed with epoxy.
- Laminate tops are made of .75" PB core with a PVC edge to match laminate.

Base

- Welded 14 gauge rectangular tubular steel
- Polypropylene non-marking glides
- Fastened using metal-to-metal connections

Product Durability:

- Meets and exceeds all applicable testing standards for safety and durability
 - Designed and assembled in the U.S.A under strict quality standards
-

Environmental:

- All wood used is TSCA compliant to help reduce and or eliminate formaldehyde emissions.
-

Shipping:

The Breeze Line is delivered pre assembled by the OCI Team of assemblers, bagged and wrapped for protection. Ships in a carton or blanket wrapped where available.
